

## PART II – ROAD RACES

### Rules amendments applying on **07.04.2021**

Update on *07.04.2021*

#### Chapter II GENERAL PROVISIONS

##### § 5 Press specifications (N)

###### Positioning of press photographers

**2.2.086** The positioning of photographers at the finish line shall in no way constitute a danger to the riders, the photographers and any other person present in the area.

The space for photographers behind the finish line shall not extend for more than ~~25%~~ **40%** of the width of the road.

~~The positioning of photographers shall be fixed by the organiser with the president of the commissaires panel and a representative of the photographers,~~ on the basis of the characteristics of the event. A line shall be drawn on the ground to mark the space reserved for photographers.

The photographers must be positioned at a distance from the finish line of at least ~~30~~ **45** meters ~~and beyond~~.

###### Summit finishes

At summit finishes, photographers shall be positioned at least 15 metres from the finish line.

###### Race expected to finish in bunch sprint

Where a bunch sprint finish is expected, photographers must be positioned at least 50 metres from the finish line. The notion of a bunch sprint finish shall be evaluated by the organiser according to the progress of the event; the organiser shall adjust the positioning of the photographers accordingly.

Alternatively, the organiser may choose to deny photographers access to the finish line area; in this case, an area outside the barriers shall be reserved for photographers in continuity with the finish line.
